Nonresidence Service Agreement – Local Telephone Services

Section 4 – Directory Listings

A. TERMS AND CONDITIONS

Listings are regularly provided in connection with local exchange service. At the request of the customer, the listing may be omitted from the directory and directory assistance records (Non-Published Service).

The rates and regulations specified in this section apply only to the alphabetical directory. The alphabetical directory is a list of telephone numbers of customers and others arranged alphabetically by surname, business, association, institution, or other nonresidence name.

The alphabetical directory is designed for the purpose of informing calling parties of the telephone number of customers and others listed in it. Accordingly, listings are intended solely for purposes of identification and are limited to information which is essential to such identification.

The Company does not publish a directory of subscriber listings. The Company, however, does arrange for the Subscriber's main billing number to be placed in the directory of the dominant local exchange carrier.

All Directory Listings, regardless of type, must conform to the specifications for the directories. The Company reserves the right to modify the listings to accommodate the space limitations in the directory. Not all listing types are available in all directories.

The Company may refuse a listing which does not constitute a legally authorized or adopted name, or any listing which in its opinion is likely to mislead or to deceive calling parties as to the identity of the listed party, or is intended for advertising purposes or is more elaborate than is reasonably necessary to identify the listed party. The listing of a service, commodity or trade name is not permitted except when such service, commodity or trade name is a part of the name under which the listed party conducts his or her business. The Company may, upon notifying the Customer, discontinue any listing found to be in violation of the foregoing regulations.

A descriptive term characterizing the listed party's business or purpose in a general way may be furnished (in abbreviated form) as a part of the listing, when desired and available. When the character of the listed party's business or purpose is apparent from the name under which it is conducted, a further designation is unnecessary and is not furnished.

Abbreviations may be used to limit the length of any listing when in the opinion of the Company, the clearness of the listing and the identification of the listed party is not impaired by use of abbreviations.

Special arrangement of names is not permitted.

Non-Published Service customers forfeit non-address, non-list, or non-published service privacy when calling the Universal Emergency Number Service (911). The telephone number and address of the station from which the emergency call originates are passed to the Public Safety Answering Point along with the call in order for emergency units to respond to the call.

Incoming calls to Non-Published Service customers will be completed by the Company only when the calling party places the call by number. The Company will adhere to this practice regardless of any claim of emergency the calling party may present.

The acceptance by the Company of the customer's request for Non-Published Service does not create any relationship or obligation, direct or indirect, to any person other than the Customer.

However, in the absence of gross negligence or willful misconduct, no liability will attach to the Company for damages arising from inadvertently publishing the address or telephone number of a Non-Published Service customer in the directory; or disclosing the number or address to any person. The customer indemnifies and saves the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of the number of a Non-Published Service customer in the directory or otherwise disclosed, the Company's liability is limited to and satisfied by a refund of any monthly charges made by the Company per the PUCO Minimum Telephone Service Standards.

Providing the name, address and/or telephone number of a Non-Published Service customer to the customer's primary interexchange carrier for billing purposes only, does not constitute publication or disclosure of the customer's name, number and/or address under this Service Agreement.
